"Free Invitation for Foreigners to Watch Soccer Match at the Stadium" on September 20 vs Shonan.

Aichi Prefecture is a region where many resident foreigners live, and we welcome visitors of various nationalities on a daily basis. Through this initiative, we aim to give more people from different backgrounds the opportunity to experience soccer, a sport loved by people around the world, and to foster connections with the local community, all while bringing Nagoya Grampus closer to their hearts. Last season, we invited around 1,000 people from 35 different countries, and the event received great feedback. This year, we hope to welcome even more foreigners. Please enjoy cheering for the foreign players on our team and experiencing a match at Toyota Stadium!

We look forward to seeing you at the stadium!
